

histogram of read counts from sample 1 replicate 1

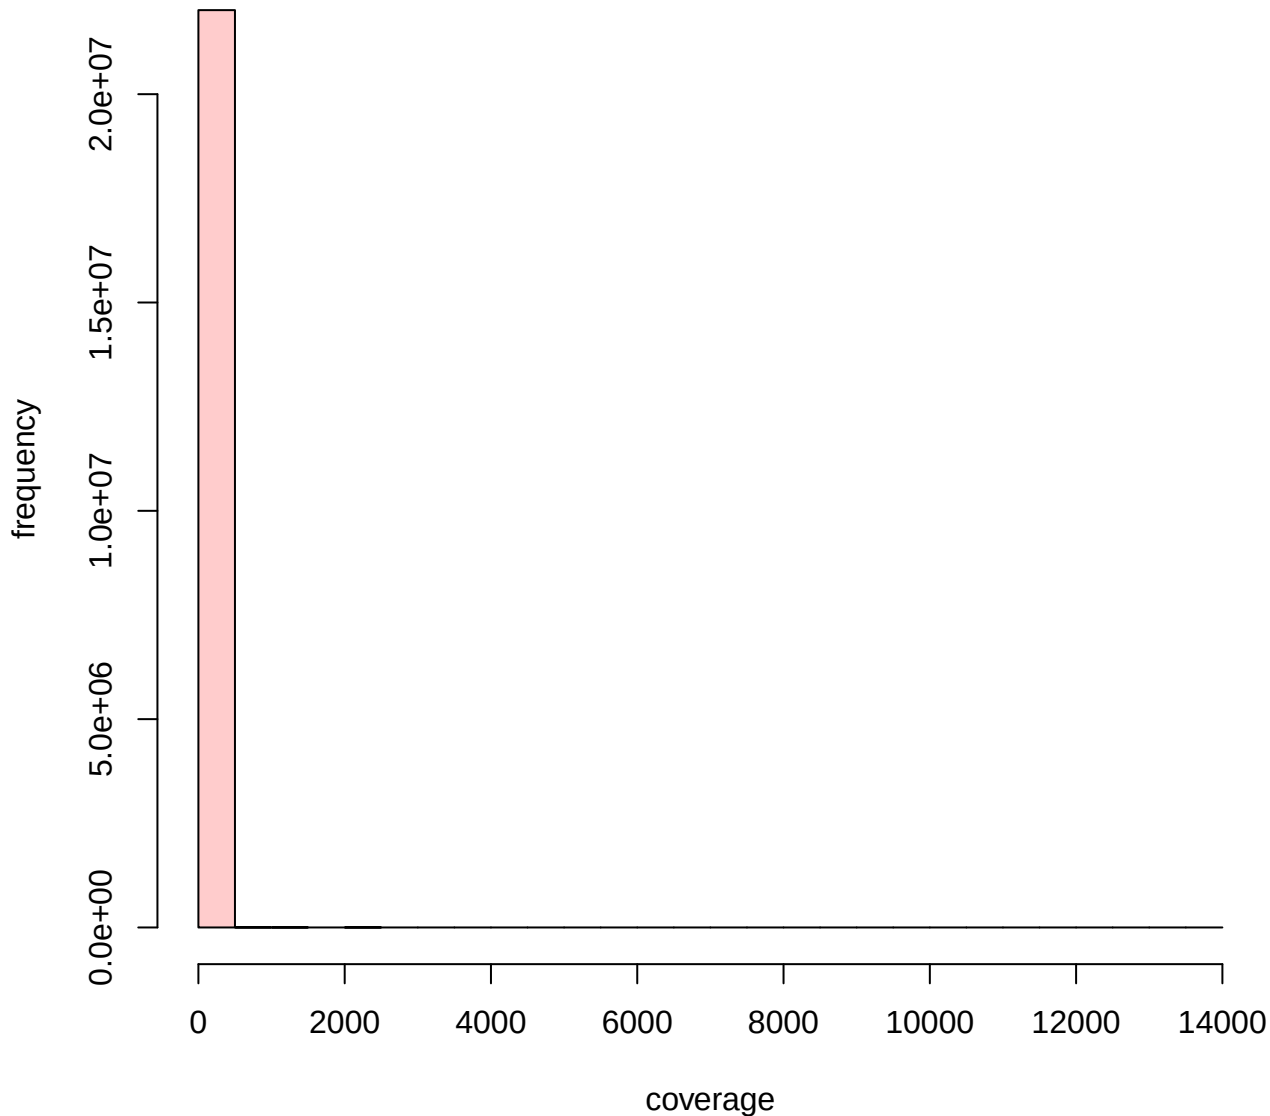

histogram of read counts from sample 1 replicate 2

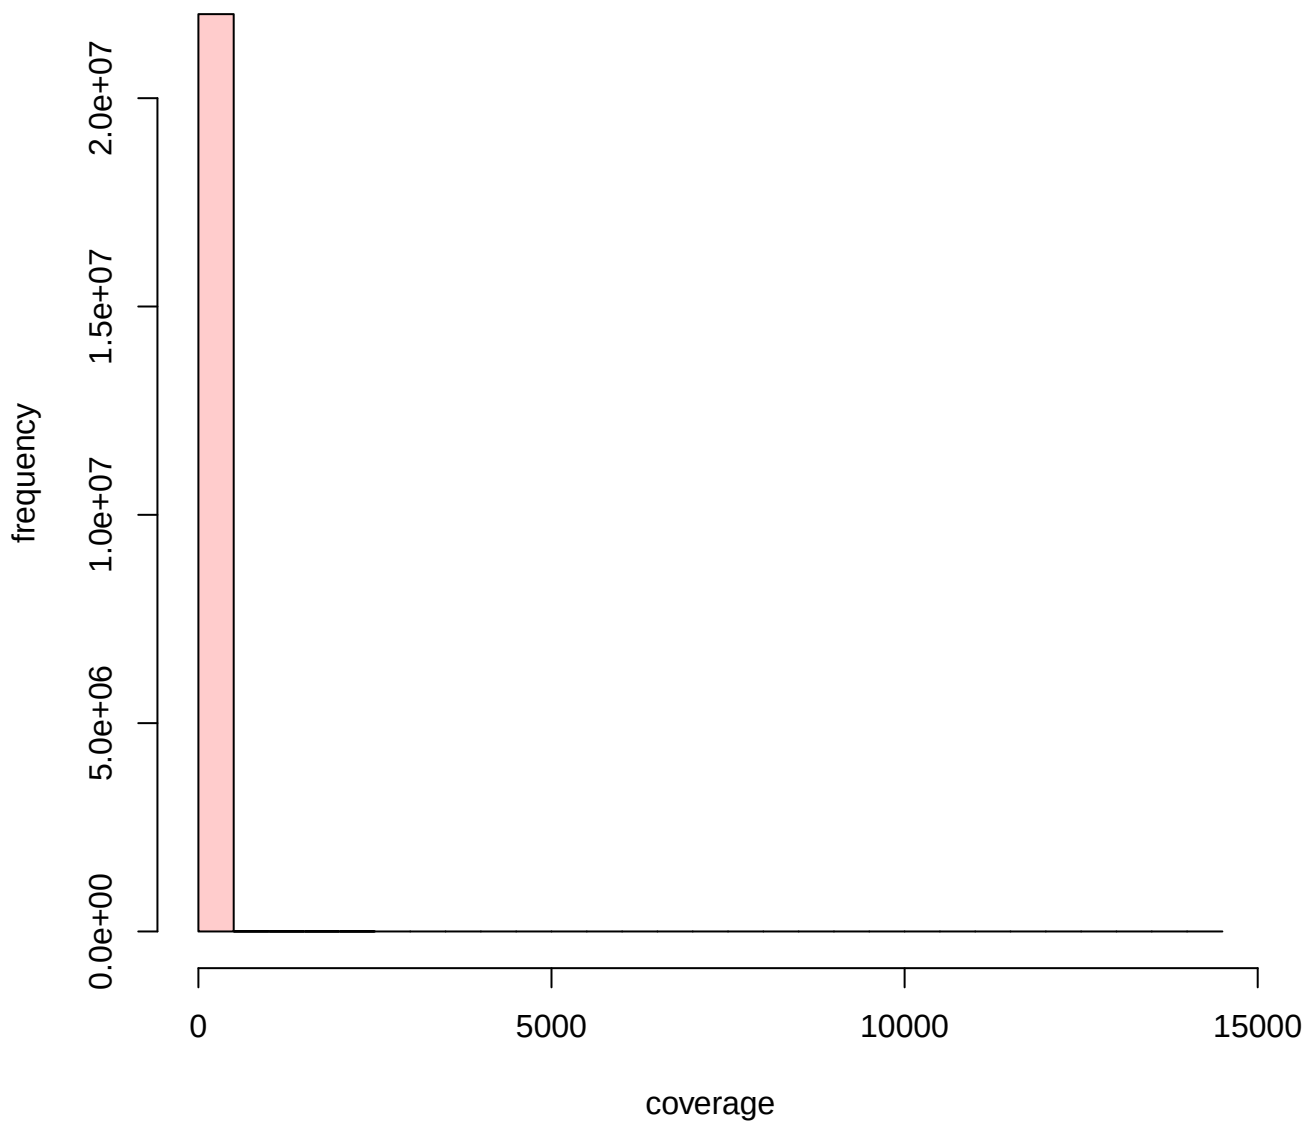

histogram of read counts from sample 1 replicate 3

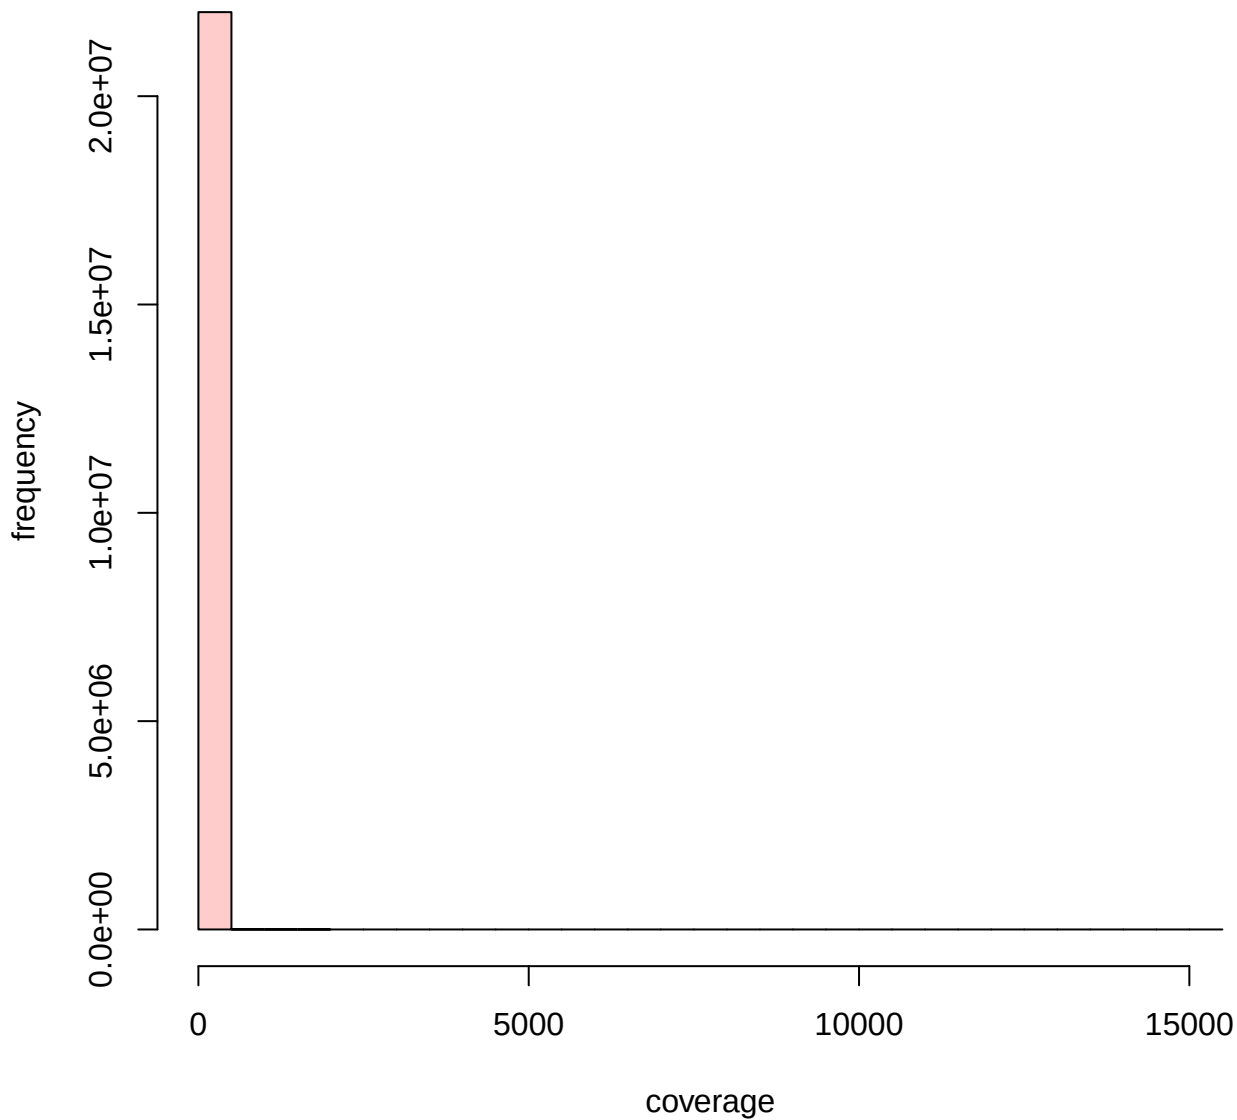

histogram of read counts from sample 2 replicate 1

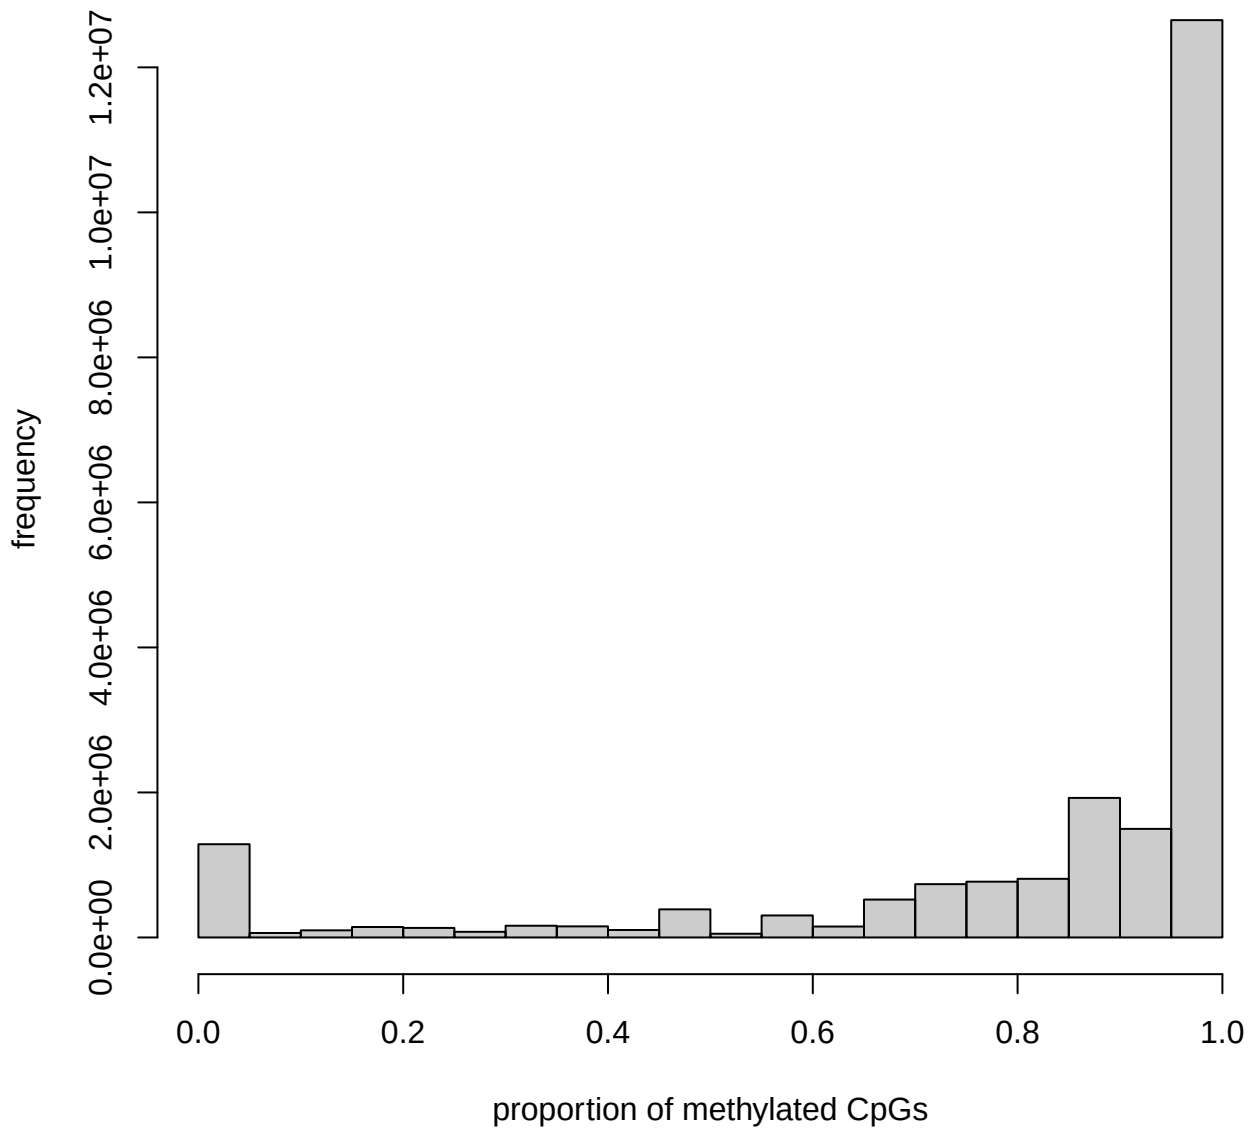

histogram of read counts from sample 2 replicate 2

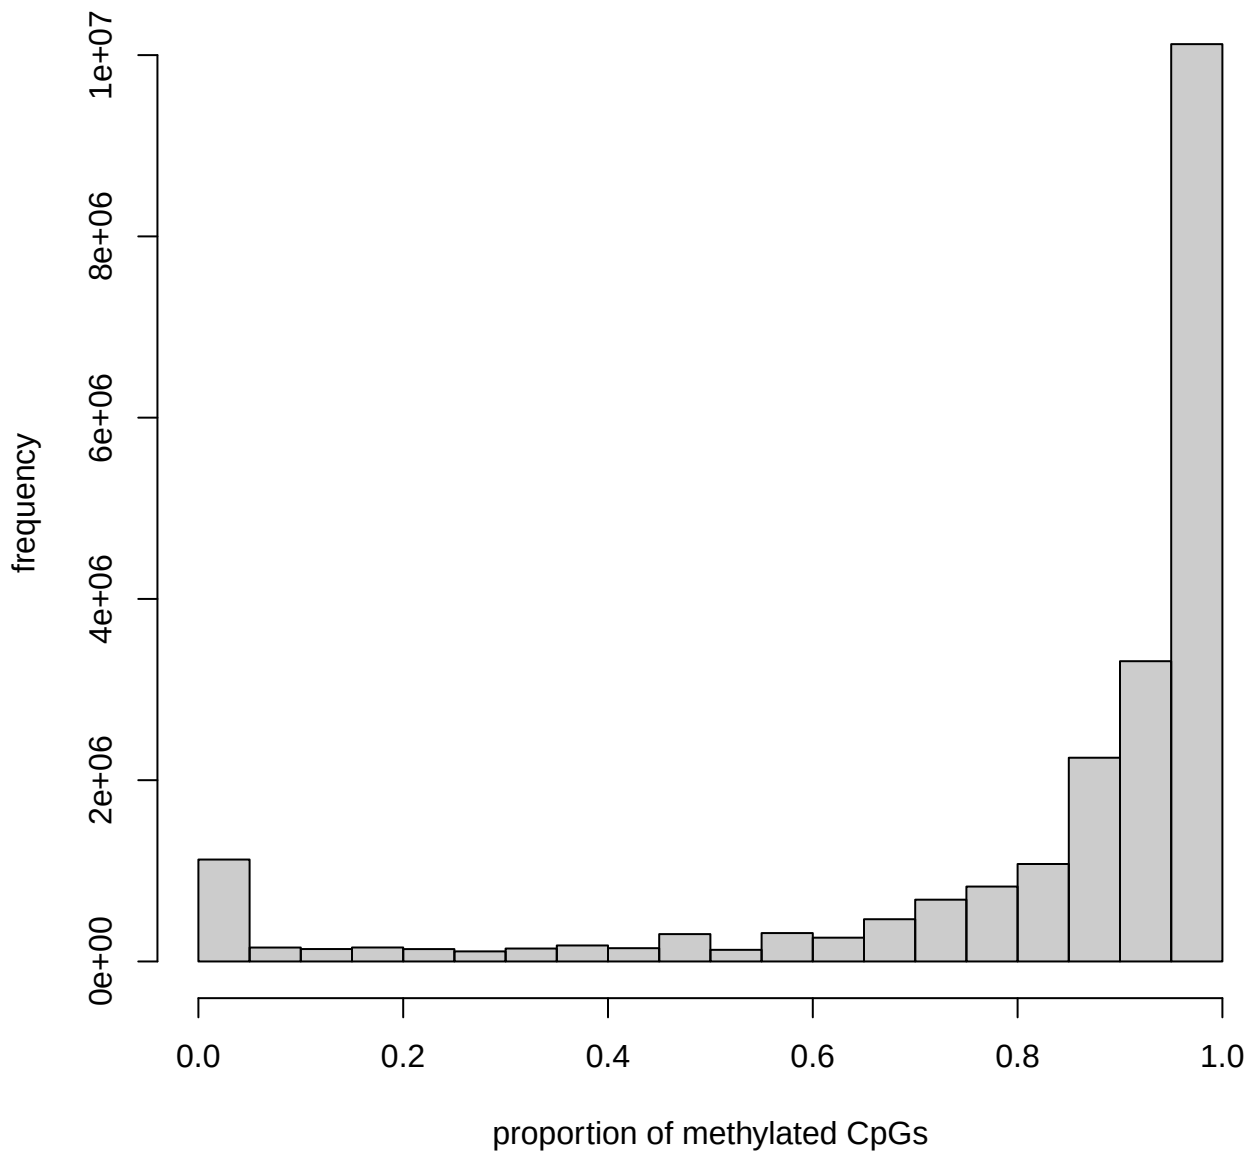

histogram of read counts from sample 2 replicate 3

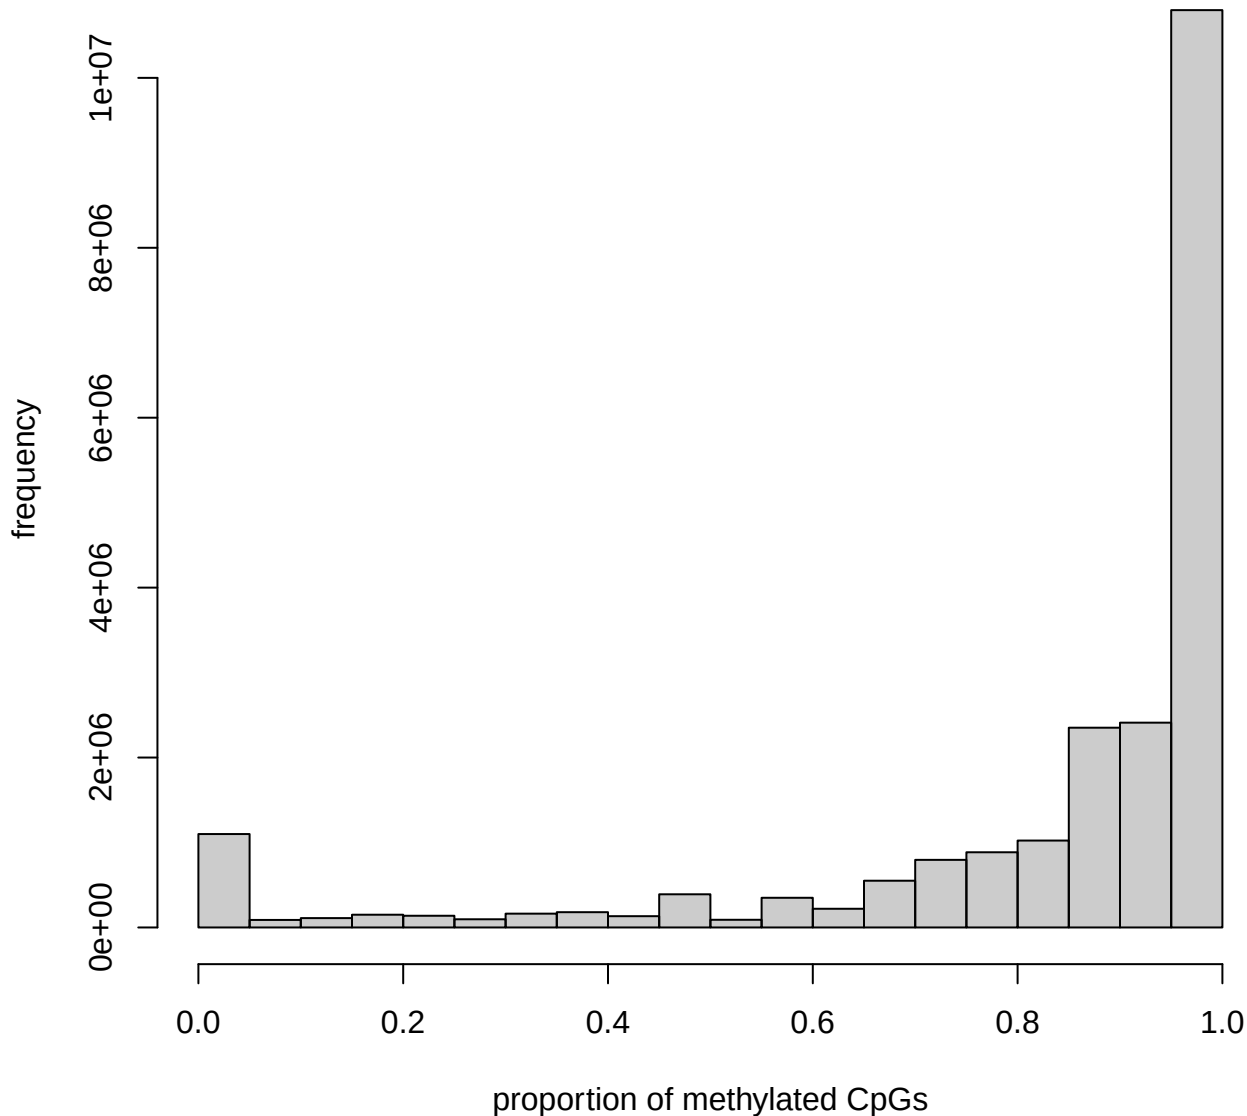

histogram of methylation proportion in sample 1 replicate 1

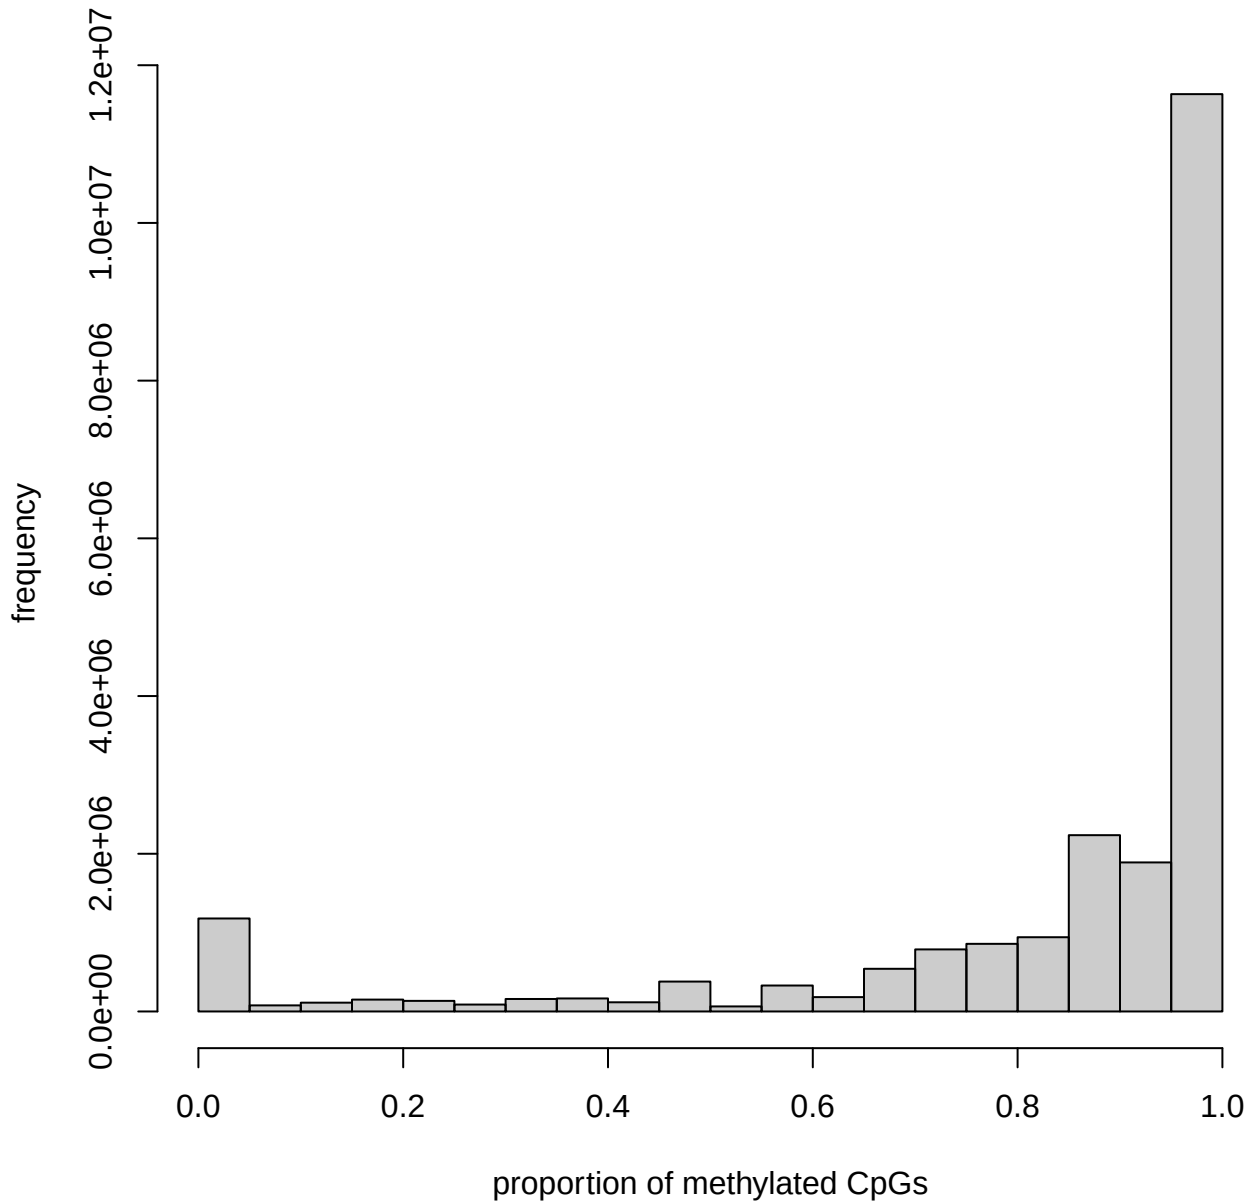

histogram of methylation proportion in sample 1 replicate 2

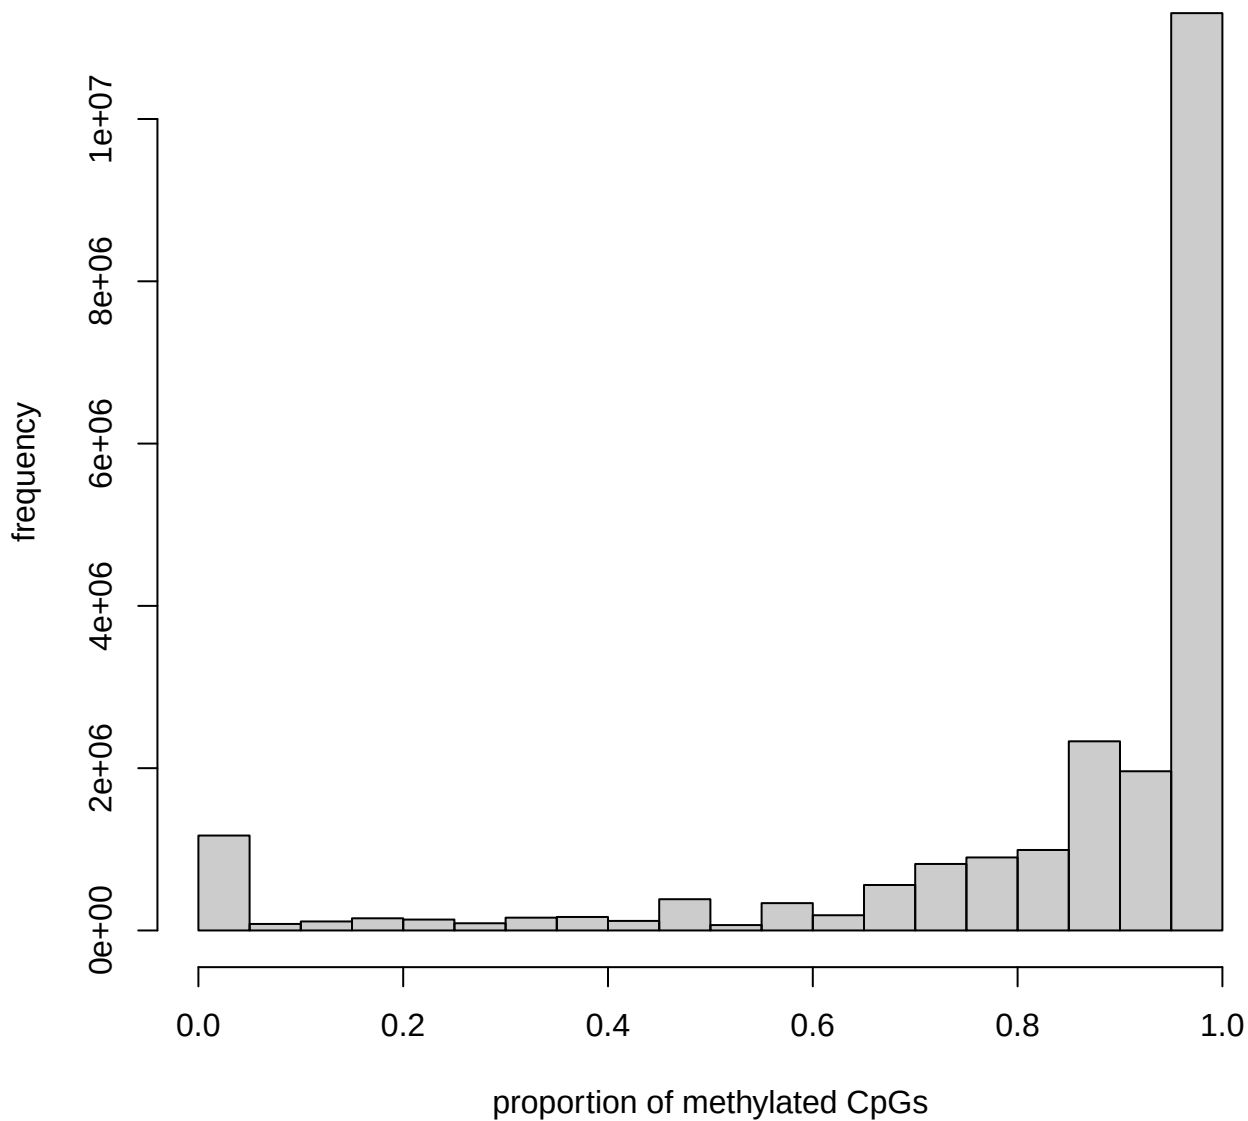

histogram of methylation proportion in sample 1 replicate 3

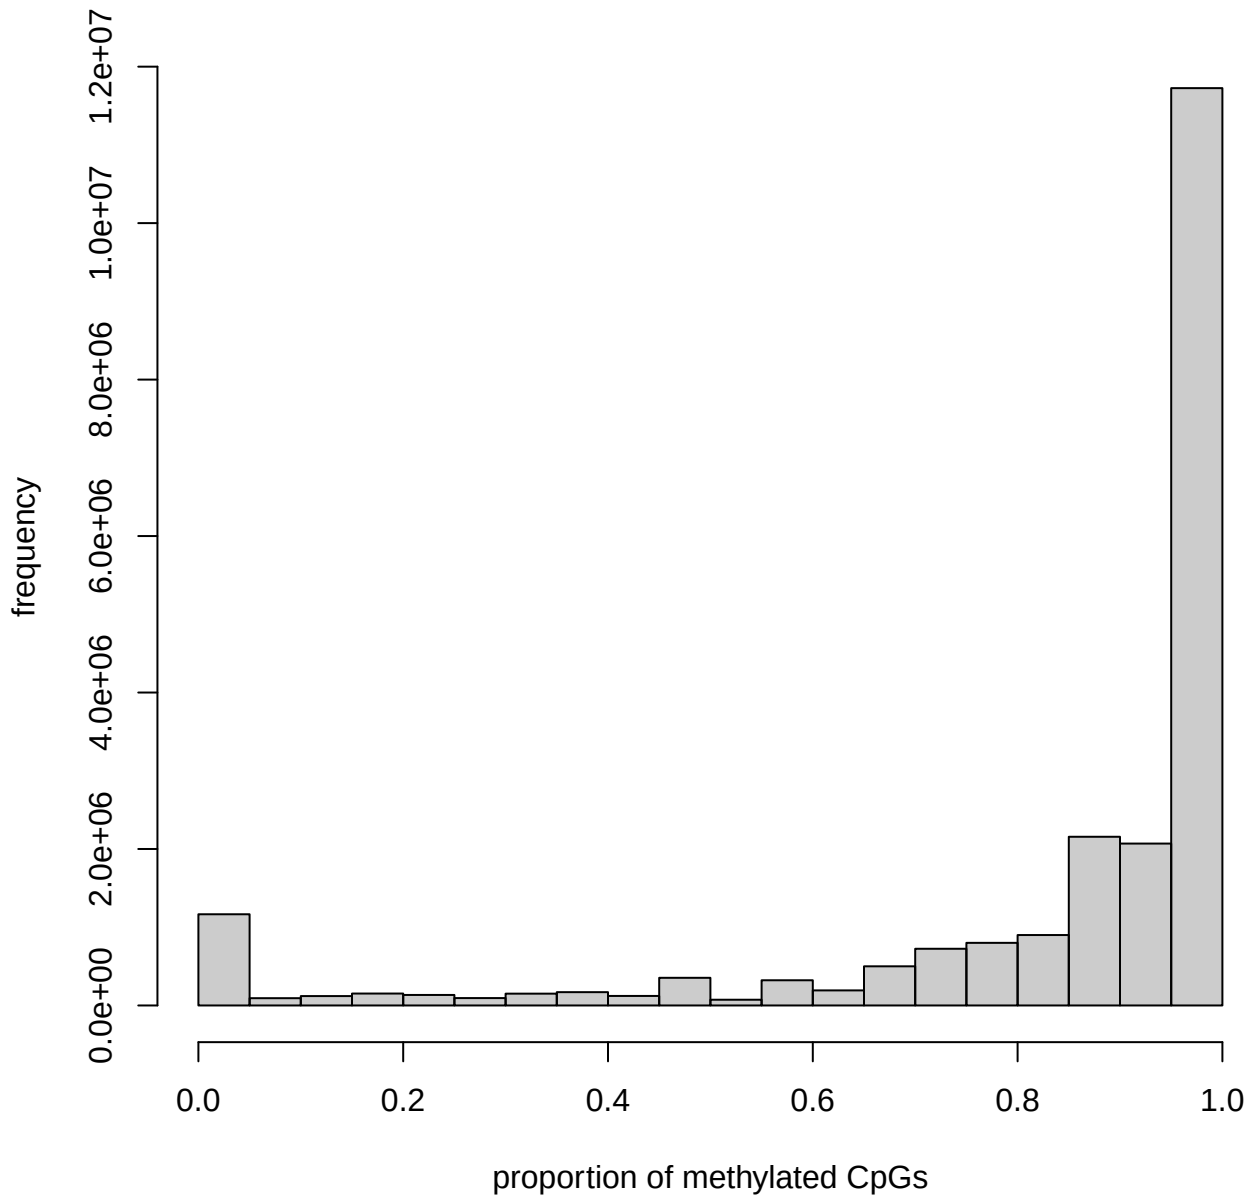

histogram of methylation proportion in sample 2 replicate 1

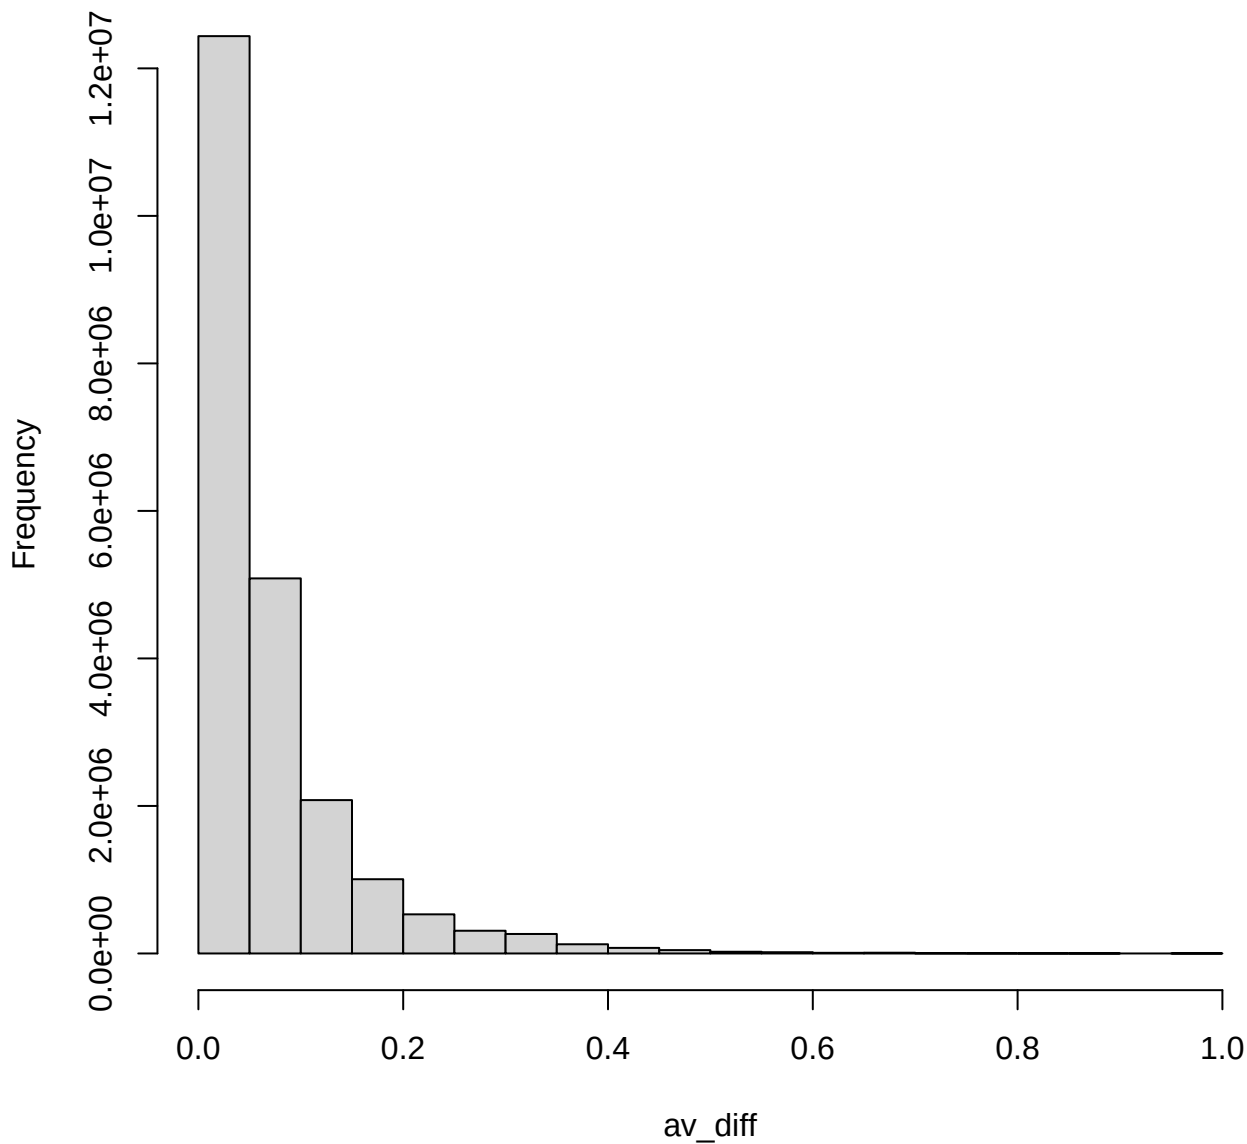

histogram of methylation proportion in sample 2 replicate 2

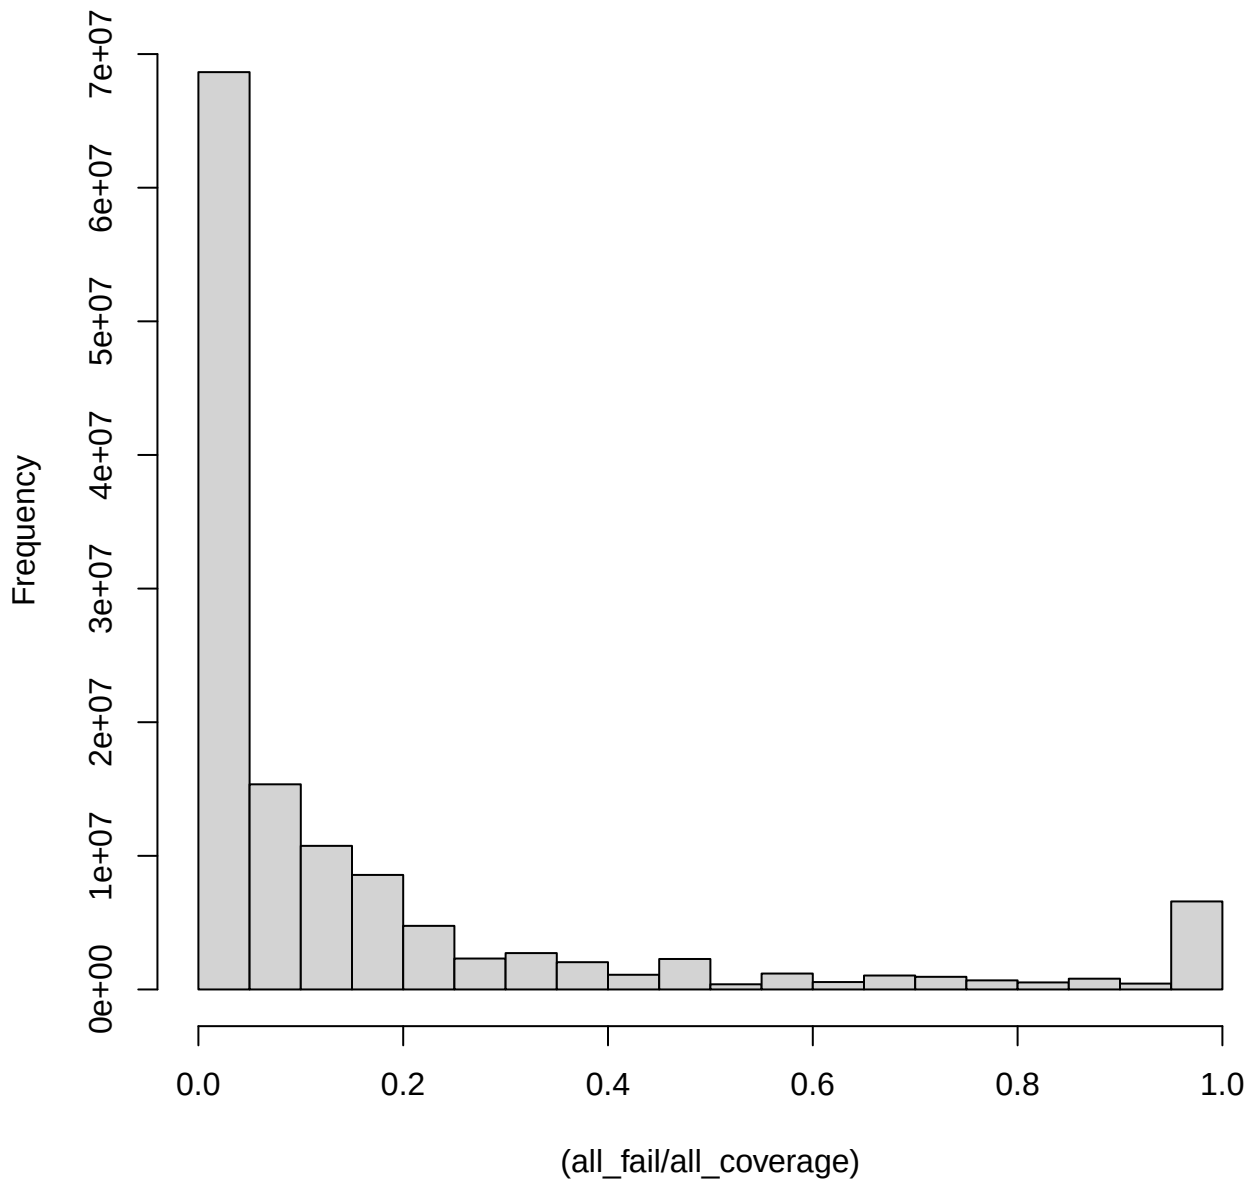

histogram of methylation proportion in sample 2 replicate 3

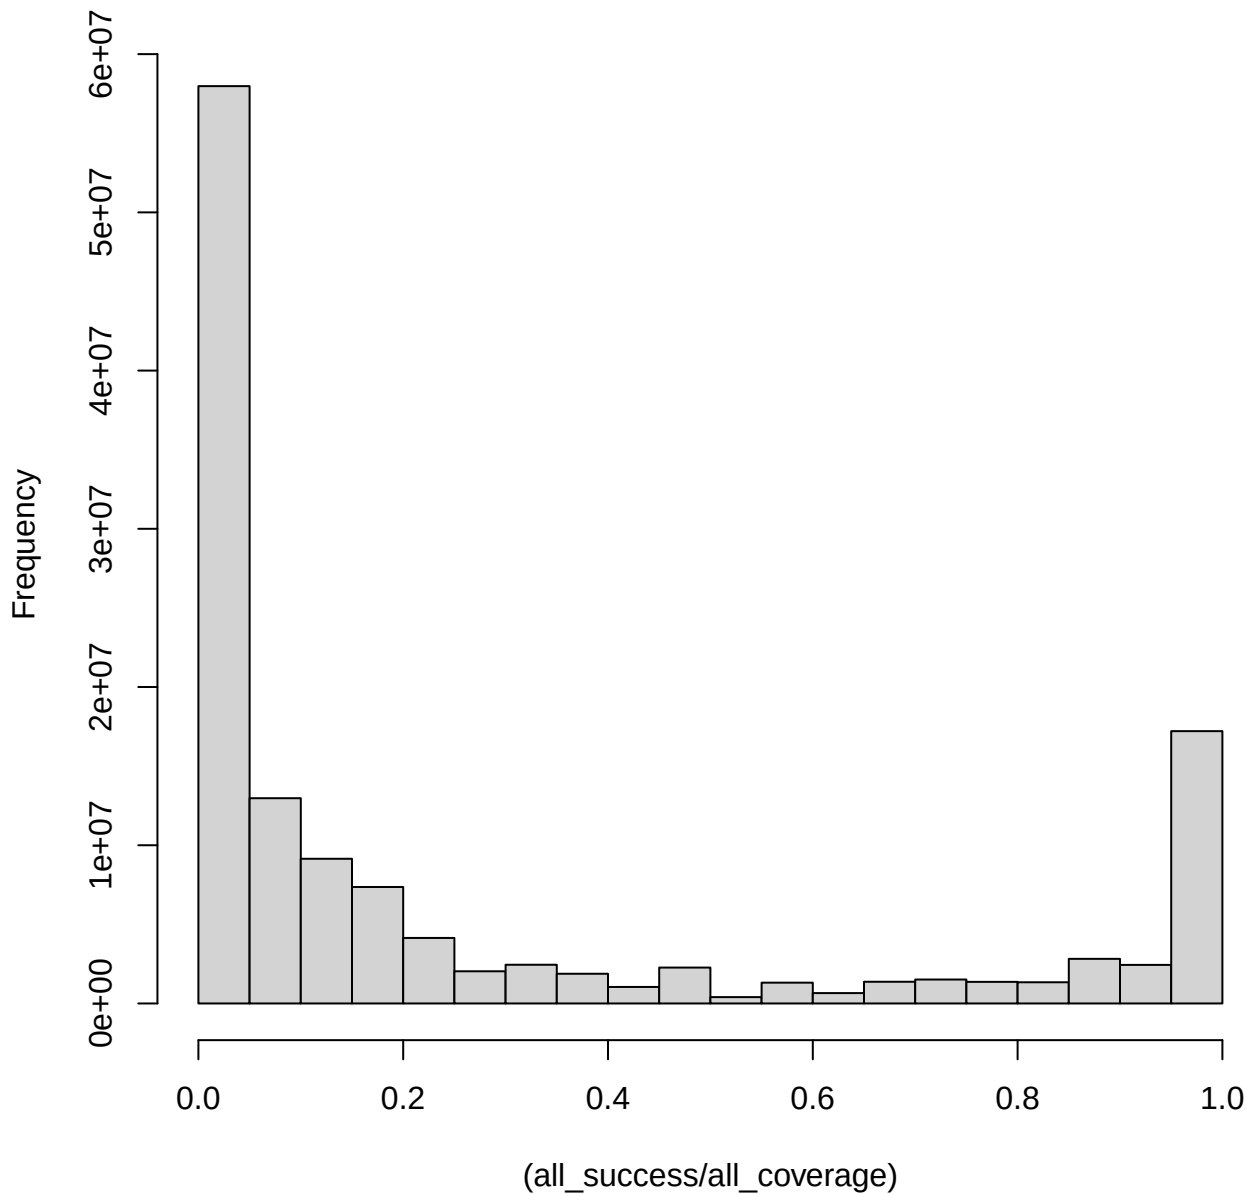

distribution of meth proportion diffs

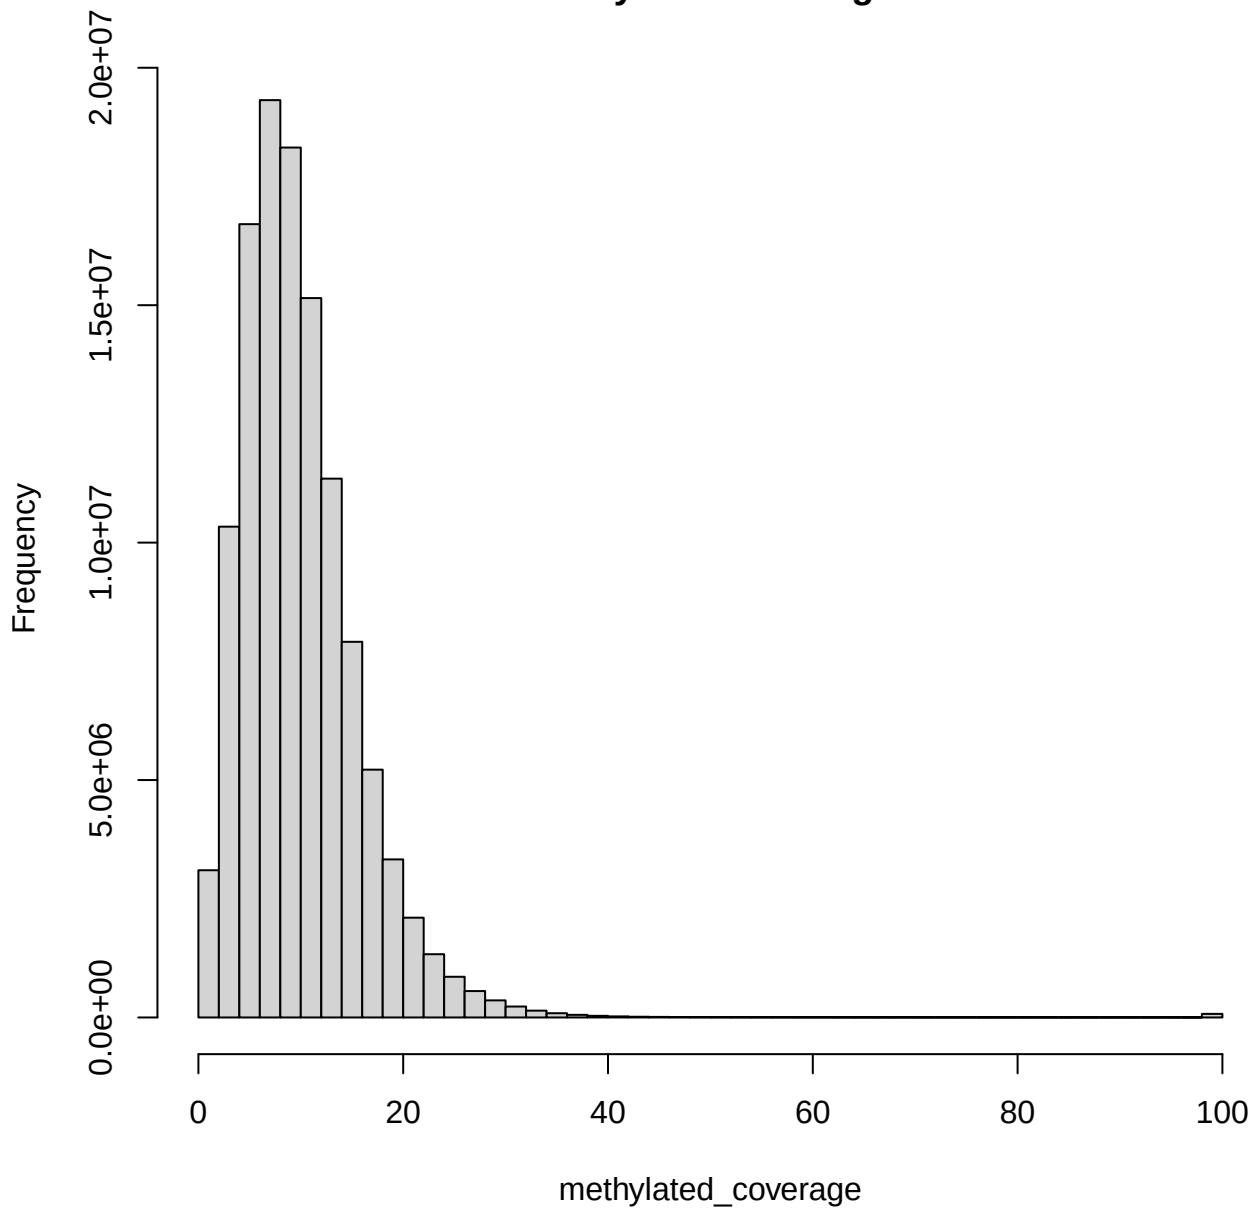

failures over coverage

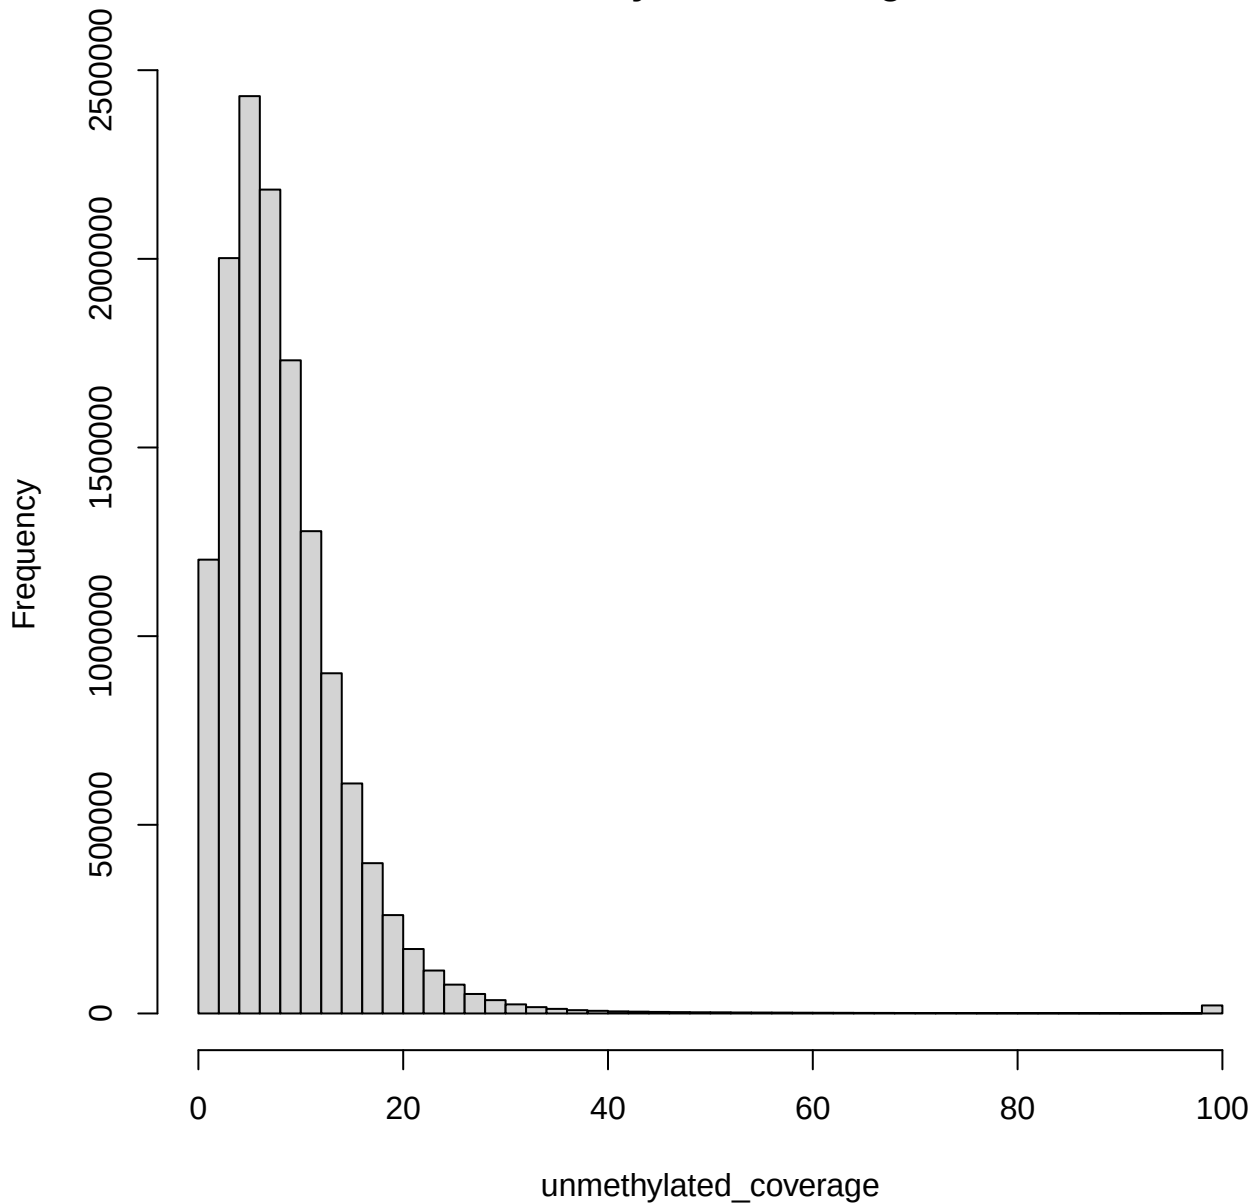

success over coverage

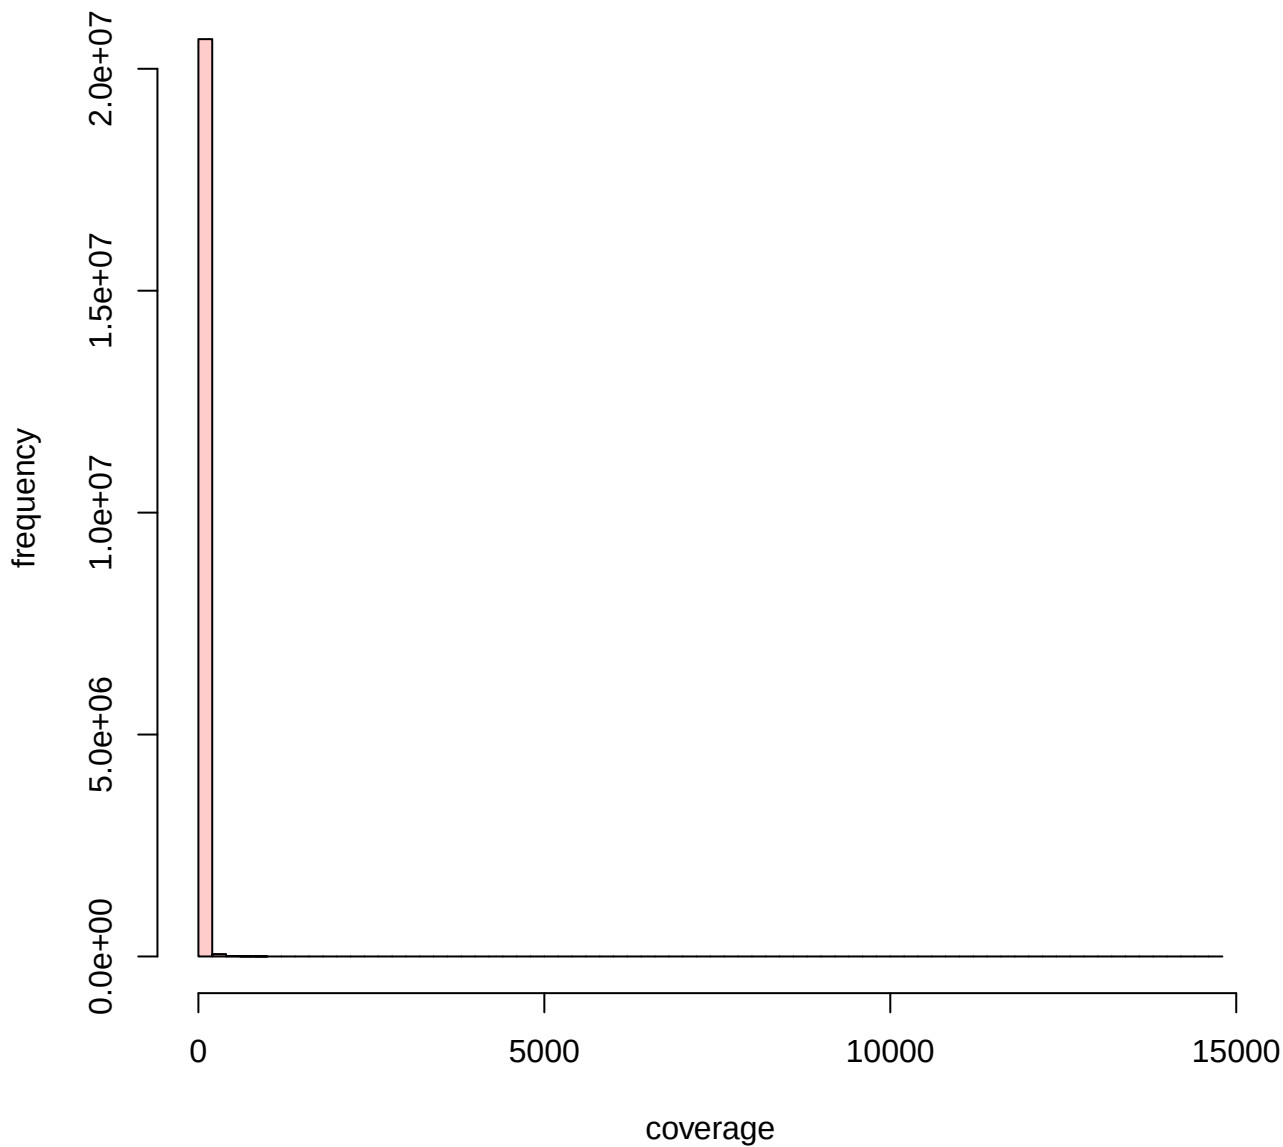

methylated coverage

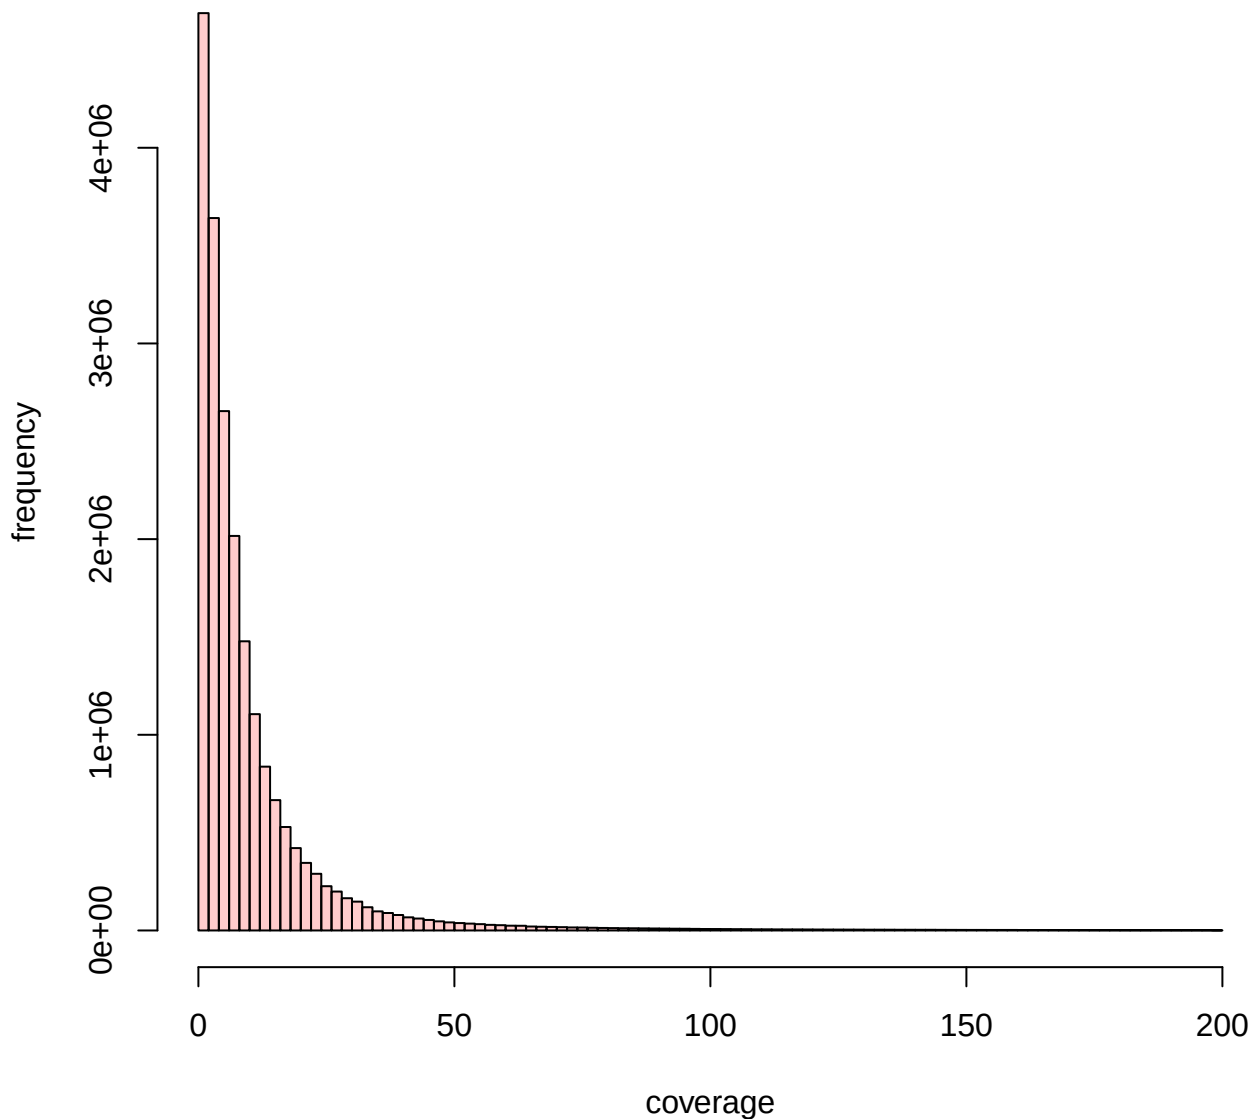

unmethylated_coverage

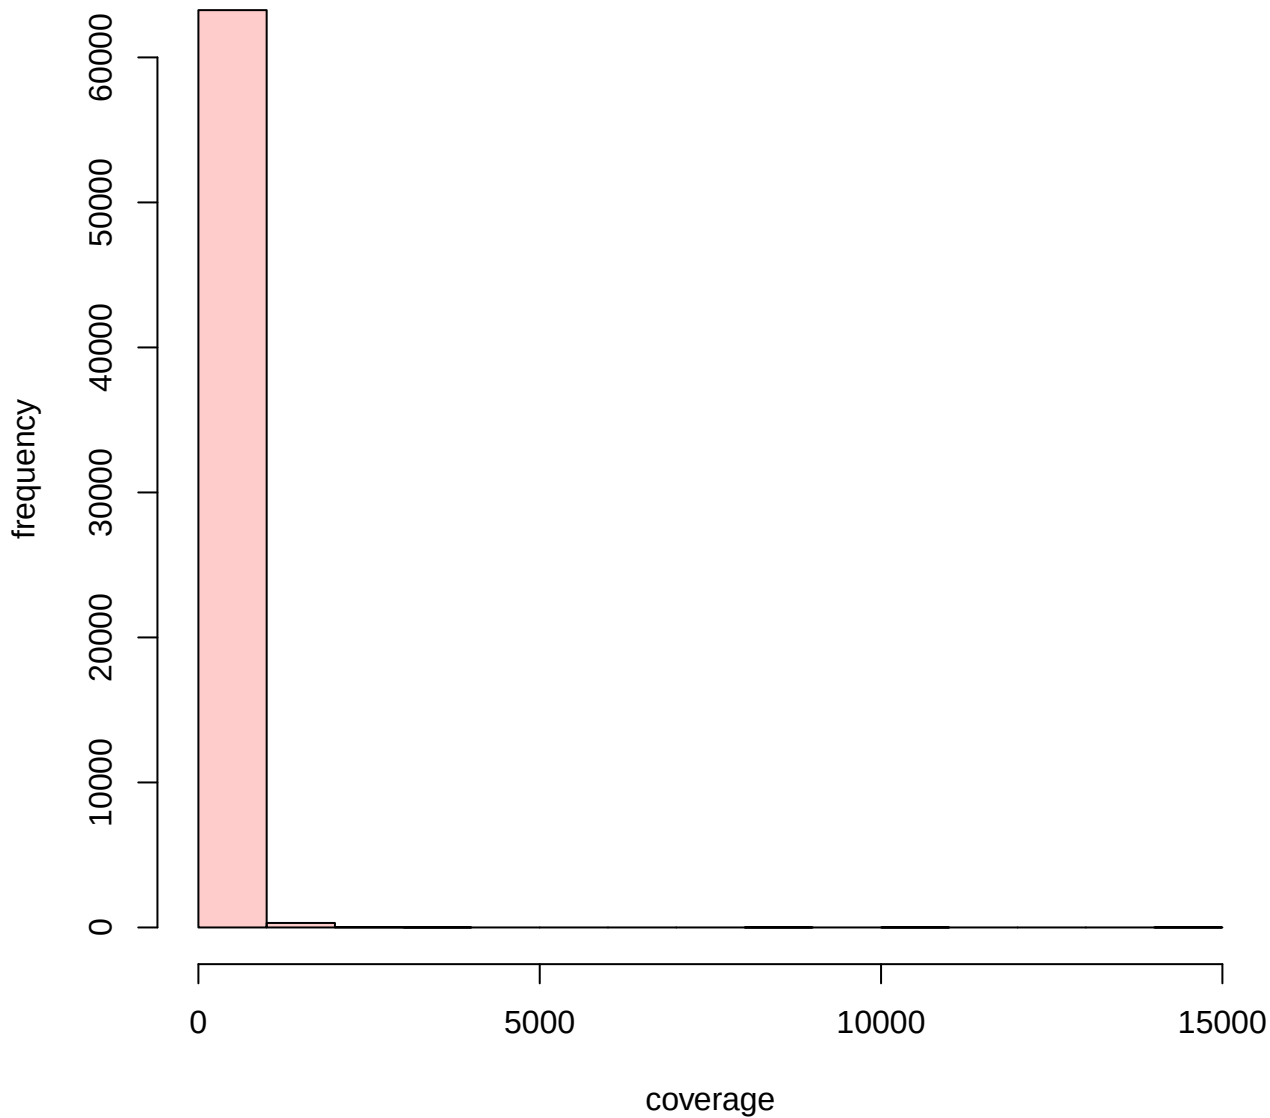

histogram of distances between CpGs

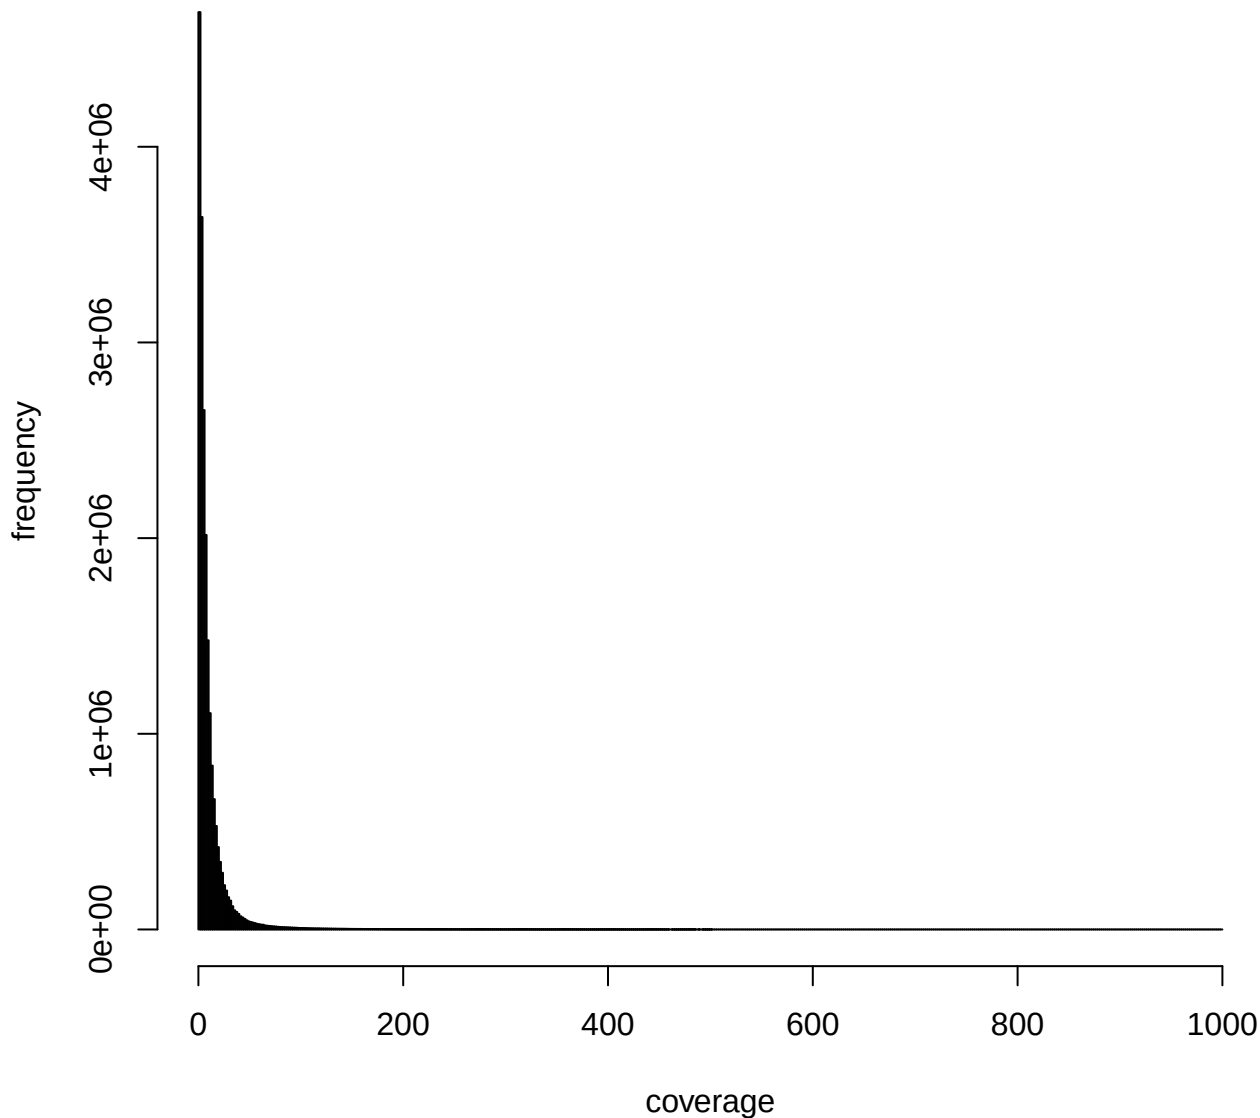

histogram of distances between CpGs locally

histogram of distances between CpGs locally

histogram of distances between CpGs locally

histogram of distances between CpGs locally
